- ➔ I understand that it is highly desirable that both partners in a marriage attend, or commit to attend Cursillo weekends. (If the timing is inconvenient, the spouse should commit to attend a Cursillo at a later date.) I also understand that the Cursillo weekend is a Sacramental occasion, and the candidate should be in a position to partake of the Sacraments of Holy Eucharist and Reconciliation (although participation is the candidate's decision). If the spouse is not Catholic, I have explained to the couple that the non-Catholic spouse should consider attending a similar event as Cursillo for the mutual benefit of their marriage.
